**SECTION (1):  
GENERAL DESCRIPTION AND BACKGROUND**

- (A) **Request for Proposal:** This document constitutes a RFP from qualified organizations to provide In-plant transit vehicle inspection services to MHTC and the Missouri Department of Transportation (**MoDOT**).
- (B) **Background:** The Missouri Department of Transportation (MoDOT), Multimodal Operations Division, Transit Section is requesting proposals from qualified individuals or firms to conduct transit vehicle in-plant line inspections of modified and/or purpose built transit vehicles, when the purchase order quantity for a specific floor plan / vehicle type per transit agency (sub-recipient / sub-grantee) meets or exceeds 21 vehicles. The overall goal of these services is to ensure that each vehicle so procured is manufactured in compliance with 49 CFR Part 663, "Pre-Award and Post-Delivery Audits of Rolling Stock Purchases".

Subpart C of 49 CFR Part 663 requires a resident inspector at the manufacturing site throughout the period of manufacture of the rolling stock to be purchased, to monitor and complete a report on the manufacture of such rolling stock with the report to minimally include:

- a. Compliance with "Buy America" requirements for at least 60% domestic content and final assembly in the U.S.A., per 49 CFR 663.35 and 49 CFR Part 661;
- b. Compliance with purchaser's requirements (vehicle specifications) per 663.37:
  - (1) Accurate records of all vehicle construction activities,
  - (2) Address how the construction and operation of the vehicle fulfills the vehicle contract specifications,
  - (3) Visual inspection and road testing of the vehicles documented,
- c. Compliance with 49 CFR Part 571 - Federal Motor Vehicle Safety Standards (FMVSS).

The successful Offeror will submit a detailed final report compiled for each such transit vehicle based on the production processes through assembly. The final report shall contain sufficient detail so that the MoDOT, Multimodal Operations Division, Transit Section may determine and certify that each vehicle:

Met post-delivery Buy America Requirements  
Met post-delivery purchaser's requirements and,  
That the manufacturer has self-certified to FMVSS compliance.

- (C) **Fiscal Year:** The fiscal year runs from July 1-June 30.
- (D) **Contract Period:** January 3, 2011 through December 31, 2012.

(E) **Renewals/Extensions:** The contract shall not bind, not purport to bind, MHTC for any contractual commitment in excess of the original contract period. The MHTC shall have the right, at its sole option, to extend the contract for two (2) additional one-year periods, or a portion thereof. In the event MHTC exercises its options, all terms, conditions, and provisions of the original contract shall remain the same and apply during the extension period. If the options are exercised, the Offeror shall agree the prices stated in the original contract shall not be increased in excess of the renewal periods' pricing, if any, stated on the pricing page of the contract. If the pricing page does not include such renewal prices or if applicable spaces are left blank or are not completed, prices during extension periods shall be the same as during the original contract period. MHTC does not automatically exercise its options based upon the maximum renewal price of increase without documented justification supporting an increase and reserves the right to offer or to request an extension of the contract at a price less than that price derived from the Offeror's renewal amounts.

(F) **Clarification of Requirements:** Any and all questions regarding specifications, requirements, competitive procurement process, or other questions must be directed to Leann Kottwitz, Missouri Department of Transportation, and P. O. Box 270, Jefferson City, Missouri, 65102, (573) 751-3685 (phone) or Leann.Kottwitz@modot.mo.gov (Email.)
